Education

Thadomal Shahani Engineering College (TSEC), Bandra, Mumbai Bachelor of Engineering in Information Technology (Currently pursuing 2nd year)

- First Year SGPA: 8.87/10

Atomic Energy Central School 4, Mumbai Higher Secondary Certificate (HSC) in Science (PCM-CS)

- Score: 88.4%
-

Skills

- **Programming Languages:** Python (Advanced), C, C++, Java, JavaScript
 - **Web Technologies:** HTML, CSS, JavaScript, Flask
 - **Software Development:** Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), RESTful APIs
 - **Version Control:** Git, GitHub
 - **Data Science & Tools:** NumPy, Pandas, Matplotlib, Data Visualization, Data Analysis
 - **Automation:** Web Scraping, API Integration (SMTPLIB, Twilio)
 - **Databases:** SQLite
 - **Soft Skills:** Problem Solving, Logical Thinking, UI/UX Principles
-

Projects

- **Responsive Web Interface Development**
 - Designed and implemented a modern website interface using HTML, CSS, and JavaScript, incorporating 3D illustrations for enhanced visual appeal and user experience.

- **Buckly - Bucket List Web Application**

- Developed "Buckly," a dynamic and responsive bucket list web application utilizing HTML, CSS, and JavaScript for front-end development.

- **Dynamic Blog Website**

- Constructed a feature-rich blog website leveraging HTML, CSS, JavaScript for the frontend, Python for backend logic, and SQLite for robust content management and data persistence.

- **Python Automation Suite**

- Developed a diverse suite of automated tools demonstrating proficiency in Python, web scraping, and API integrations (SMTPLIB, Twilio). Projects include:

- Automated Flight & House Deal Finders
- Automated Spotify Playlist Generator
- Amazon Price Tracker
- LinkedIn Job Application Bot
- Instagram Content Scroller
- Internet Speed Complaint Bot

Certifications & Courses

- Certified in Python, Machine Learning, C/C++, Basic Web Development
- Certified in Basic AI, Natural Language Processing (NLP), and OpenCV
- MS-CIT (Maharashtra State Certificate in Information Technology)
- AutoCAD Certified

Personal Interests

- Software Development, Web Development & UI/UX
- Problem Solving & Competitive Programming
- Gaming, Sports (Kabaddi, Cricket) & Railways
